See product list below

UL 2838 - 2022 Standard for Chemical Emissions for Building Materials, Finishes and Furnishings

Products tested in accordance with UL 2838 are certified to show compliance to emission limits in UL 2838, Section 3.1. Furniture and finishes are tested in accordance with UL 2838 and UL 2838-2, and are determined to comply with UL 2838-2 (UL 2838-2 is a UL 2838-2) and UL 2838-2 (UL 2838-2 is a UL 2838-2). Panel based workstations are included in the open plan environment. Coated systems and installed furniture items are included in the open office environment. Sealing products are included in the sealing environment.

UL indicated representative samples of the identified product, process or facility to the identified standard or other requirements in accordance with the agreement and any applicable program service terms in place between UL and the Client (collectively "Agreement"). The Client is authorized to use the UL Mark for the identified product, process or facility covered by the certificate, in accordance with the terms of the Agreement. This certificate is valid for the identified date unless there is non-compliance with the Agreement. This certificate is subject to modification, suspension and withdrawal by UL and ULPT at any time, to authorize the certificate.
